

Web Site Design Services

Expanded Site Design

The Expanded Site Plan is a multi-page site with links and an email hyperlink. It includes the following:

Text:

Same as the Basic Site Plan, but with an additional two pages, possibly including:

- History of company.
- Directions to the store with a map of your location.
- Specials or sales that are available in the store. (E-commerce capabilities are not included in this special price.)
- Any other information you might like to include.

Above all else, we are professional writers, and your site will be proof of that.

Graphics:

The Expanded Site Plan includes unlimited photos or graphics, provided that they fit comfortably within the page design. Aardvark Writing can provide graphic design services for an additional charge. Our graphic artists have created original logos, creative textual art, and even book covers.

Domain Name:

You will receive a personalized business name with email and web usage stats that you can access from your computer. We will research which Internet addresses are available for your company. Your domain name will be registered for one year and must be renewed as needed for following years. The current price for domain name registration is \$10 per year.

Monthly Hosting Service:

This is the regular monthly hosting charge to post your site on the Internet for one year. Aardvark Hosting Service is regularly \$6.00 per month, but with this special, you pay only \$47.88 for the first year or \$3.99 per month.
